# Tricksters scammed from vulnerable women MATCH.COM CON ARTISTS BEHIND BARS

• Emmanuel Oko, 30

A GANG of men who conned a Basingstoke woman out of her life savings in a "sophisticated" love scam on match.com were jailed on Friday.

Suzanne Hardman - who handed over £174,000 - said she felt "vulnerable and sick" when she realised she was a victim of the elaborate dating website plot.

The four men were sentenced to almost 14 years behind bars at Winchester Crown Court.

In a victim's statement read in court Ms Hardman said: "From the day I reported the incident to the police I felt very vulnerable, sick to my stomach, and deceived."

# Conned victims left 'hurt and distressed'

• From front

She added: "I feel I have lost my self respect because of it."

She was one of nine women conned in a romance confidence trick that swindled them out of £220,000.

A fake dating profile under the name James Richards was created on match.com from which the men struck up a relationship before asking to borrow money to access their fake £1.5million inheritance in India.

They each gave between £700 to £174,000 - after being sent fake passports and details of a fictitious Rob Thompson of Quality Solicitors.

An email sent to Ms Hardman from "James Richards" told her: "You made me complete now Suzanne I have a reason to try, now I have a cause to believe in all the wonderful things life has to offer."

Her Honour Judge Susan Evans QC said she believed Oko was at the 'heart of the conspiracy'.

She told him: "This was a highly sophisticated conspiracy to defraud."

"It preyed upon the trusting, the lonely and the emotionally vulnerable."

She added: "This was a large scale fraud by misrepresentation and a very unpleasant one."

"Ms Hardman said she felt groomed and I can entirely understand that description."

"The hurt and distress that you caused them was enormous."

In tears and visibly shaking, another victim, Michelle Spur-

ham, told the court: "I no longer trust any adult."

She added: "I was a marathon runner, I have gained weight and I cannot bring myself to run again."

"Now I admit not to trust anyone and this makes my life very confusing and hard work."

The money she lost was for her son who had just started university.

Oko was given eight years and four years to run concurrently for conspiracy to defraud and money laundering.

The three other defendants were sentenced for money laundering. Monty Emu, 28, of Frencham Road, Southsea, was sentenced to three and a half years.

Chukwuka Ugwu, 29, of Somers Road, Southsea pleaded guilty to money laundering and was given 46 weeks.

And Adewunmi Nusi, 37, of Bomford Close in Hermitage, Berkshire, was sentenced to 18 months.

Judge Evans said: "Each of you are intelligent individuals."

"Mr Oko, Mr Ugwu, Mr Emu, all of you were studying at Portsmouth University at the time of this scam."

"Mr Nusi, you too are an intelligent man running your own

# Revenge porn to become illegal

PEOPLE who post revenge porn on the Internet could face jail time after a new law was agreed by the House of Lords on Monday, following a campaign backed by Basingstoke MP Maria Miller.

Mrs Miller, who spoke out in favour of the law several times in the past few months, welcomed the ruling.

It would make it a criminal offence to upload or distribute sexually explicit photos of someone without their consent under the Criminal Justice

and Courts Bill.

Mrs Miller said: "I welcome the Lord Chancellors proposed new law to make posting revenge porn a criminal act."

"Making revenge porn a criminal

offence will also send a strong signal to young people."

"One in five 15-16 year olds send or receive nude or sexual explicit images from their friends."

It is already against the law

under the Sex Offences Act to protect young people from online grooming and sexual exploitation.

The new offence would cover online and printed pictures.

# Business hub plans to help start-up firms

PLANS for a new business hub to be launched in Basingstoke were unveiled on Tuesday.

A report by Basingstoke and Deane Borough Council officers recommended councillors approve a £100,000 grant for the project at a cabinet meeting next week.

It would see new business space set up for start-up companies to

use – guided by business support organisation SETsquared.

The new town hub would be dubbed a 'business incubator'.

The officer report, published on Tuesday, said: "This is an excel-

lent opportunity for new and growing businesses in Basingstoke and Deane to benefit from world class business support to help maximise their potential.

"This programme has the potential to support the creation of new high growth businesses."

It adds it could create jobs in the borough and increase demand

for commercial space.

The organisation that would set up the hub - SETsquared - is a collaboration between universities Bath, Bristol, Exeter, Southampton and Surrey.

It would aim to set up in early 2015 and help build 20 new companies in the first year.

SETsquared has predicted an investment of £20million from

outside companies by 2016 if the hub is successful.

Investment will come from top funders such as the UK Space Agency, Technology Strategy Board and Higher Education Funding Council for England.

The cabinet will meet to discuss the plans at the council's offices in London Road on Tuesday, October 28 at 6.30pm.

## News Bites

### Crackdown

HAMPSHIRE: Hampshire Constabulary are running a joint week-long operation with Thames Valley Police to crack down on people who use their mobile phone while driving.

A total of 5,280 drivers were caught between April 1, 2013, and March 31, 2014, using their mobile phones in Hampshire.

People are four times more likely to crash if they use a mobile phone when driving as reaction times for drivers are around 50 per cent slower.

### Hospital strikes

BASINGSTOKE: Radiographers at Basingstoke's hospital went on strike on Monday from 9am to 1pm.

The society of radiographers held strike action in response to low wages at Basingstoke and North Hampshire Hospital in Aldermaston Road.

Some x-ray and scanning services were affected.

But the hospital reported that emergency services ran normally and no appointments were either rescheduled or had to be cancelled.

### Lottery funding

BASINGSTOKE: Six Basingstoke community groups have been given a total of £56,218 from Big Lottery Funding since April.

The Big Lottery Fund distributes money to groups to use it for good causes.

The money that Basingstoke groups have secured is to be spread across a range of projects including education, health, environment, voluntary and community sectors.

## Singing out in memory of war heroes

SACRIFICES of Basingstoke's war veterans were marked at a special ceremony on Sunday.

The Mayor of Basingstoke's Centenary reception at Milestones Museum invited families of those who fought or paid the ultimate sacrifice during the First World War.

This year marks 100 years since the war started in 1914.

Brownies, scouts and guides of the Basingstoke Gang Show sang out in fitting tribute to the heroes.

Mayor Roger Gardiner said: "I was honoured to meet some of the relatives of those on the memorials."

## The Big Bang - Basingstoke style

A BONFIRE and fireworks will light up Basingstoke's night skies next Saturday.

The date for the mayor's fireworks display – which had traditionally always been on bonfire night, November 5 – has been moved to the weekend so families can attend.

This year's event on Saturday, November 1, will also see the return of a bonfire to Basingstoke's War Memorial Park after more than 10 years.

A fun fair will also be running at the newly styled event – dubbed

Basingstoke's Big Bang.

Mayor of Basingstoke Roger Gardiner said: "Traditionally the event has always happened on November 5 no matter what night of the week the date fell on.

"The feedback from families was that this meant a late night for children during the week.

"We have now moved the event to the Saturday night before so that more people can enjoy this family fun."

He added: "This year this will provide a great finale to the school half

term holidays."

Gates open at 6pm before fireworks start at about 7.30pm.

Adult advance tickets are £8, and £3 for children under 16. Family tickets can be bought now for £16, while children under three and cars are free.

Tickets can also be bought at the gate on the evening for £1 extra.

Go to [basingstoke.gov.uk/go/fireworks](http://basingstoke.gov.uk/go/fireworks) to buy online or buy tickets from Basingstoke council offices in London Road or The Willis Museum in Top of Town.

## Basingstoke shopping centre is first to pledge a living wage to employees

FESTIVAL Place became the first shopping centre in the UK to promise at least a living wage to its 105 staff last week.

It means cleaners, maintenance workers, and supervisors will get £7.65 an hour or more, rather than the minimum wage of £6.31.

The living wage is set independently and calculated according to the basic cost of living.

Festival Place centre director Steven Connolly said: "A successful business relies on good people and we are delighted that our on going commitment to our staff and their development has been recognised."

The living wage pledge includes permanent employees and third-party contractors who have been receiving the national minimum wage in the past.

Festival Place is the first shopping centre to be added to the list of accredited living wage employers.

The full list of employers who have signed up will be made public during UK-wide living wage week in November.

Festival Place was also awarded an investors in people award by government-owned management firm Investors in People for treatment of staff.

# Exotic bird makes itself at home

By Mathew Di Salvo

[mathew@taylornewspapers.co.uk](mailto:mathew@taylornewspapers.co.uk)

AN UNUSUAL bird native to South America has been spotted on the run near Odiham.

The rhea bird - related to an ostrich - was first spotted in fields near RAF Odiham last month on social media.

It is still on the loose nearby and has since been reported several times to police and the RSPCA.

The sightings come just two months after a wild wallaby and escaped llama were seen near Tadley sparking jovial Twitter jokes about Hampshire as the home of exotic species.

Keen photographer Paul Varcoe, 46, caught some snaps of the flightless bird making itself at home in a farmer's field.

He said: "I heard it appeared so I went to the area to have a look myself."

"It appeared and walked across the field to me - it doesn't seem bothered by people."

"The police told me that they don't intend to do something about it."

"I don't think it is dangerous and the farmer must be well aware of it."

The first online photo evidence of the rhea were posted by avia-

• The South American rhea bird in an Odiham field (picture by Paul Varcoe)

tion photographer Steve Lynes who pictured the bird wandering next to Hayley Lane.

Earlier this year there were also sightings of a rhea near Alton.

But the RSPCA is warning people not to approach the creature.

RSPCA spokesman Sara Howlett said: "Rheas are large birds and have the potential to be dangerous as they are strong,

fast and have sharp claws."

"Our advice to the general public is keep well away and call us or the police if they see the bird."

"We would not recommend anyone attempts to restrain or catch a rhea themselves, as these birds are able to kick in any direction and may kick out if they feel threatened."

A Hampshire Constabulary spokesman declined to comment

and said they did not know about the bird.

The International Union for Conservation of Nature said they have a 'vulnerable' status.

They are related to the ostrich and emu and they are hunted in Bolivia, Argentina, Uruguay and Paraguay for their meat and skin, which can be used for cloaks or leather.

If anyone spots the bird, tweet us at @BasingstokeNews.

## Man accused of police officer attack pleads guilty to affray but not guilty to other charges

A MAN accused of attacking two women police officers in Bursledon pleaded guilty to affray and not guilty to two other charges at Winchester Crown Court last week.

Kyle Butler, 20, of Haydn Road, Basingstoke, spoke only to give his pleas to the three charges as he stood in the court dock on Thursday, October 16.

Butler wore a black zip-up jacket as he admitted affray but denied two counts of assault occasioning actual bodily harm.

They relate to an incident on August 3 when police officers Jennifer Lovegrove and Melanie Davis, were called to an address in Fylingdales Close.

Following the incident the officers had to have medical treatment for serious injuries.

Kyle Butler is due to appear at Winchester Crown Court again on November 13 once pre-sentencing reports have been prepared.

He will remain in police custody until then.

A previous court hearing on August 15 set a provisional date of January 15 at Winchester Crown Court.

# New cancer unit treats first patient

By Mathew Di Salvo

[mathew@taylornewspapers.co.uk](mailto:mathew@taylornewspapers.co.uk)

A NEW £6.5million cancer treatment unit in Basingstoke's hospital treated its first patient last week.

The state-of-the-art radiotherapy department was opened by TV broadcaster Clare Balding at Basingstoke and North Hampshire Hospital in May.

But Oakley resident Pauline Wren became the first person to be treated at the hi-tech unit last Thursday, which was not yet up and running at the official opening.

Mrs Wren previously had to drive to Southampton for cancer treatment.

She said: "It's lovely having this facility on the doorstep; it makes it much easier and quicker to come for my daily treatment."

"After my treatment today, my husband and I are planning to go out for lunch - that is much more relaxing than grabbing a sandwich from the hospital canteen to eat in the car on the way home from Southampton."

"The unit is lovely and brand new."

"It felt a bit strange knowing I was the first patient to be treated here but the staff soon put me at ease."

• Patient Pauline Wren (centre) with radiographers Leanne Rowan (left) and Louise Hay (right) and radiography services manager, Holly Hall (back) in the new treatment room.

It was built behind the Cando-ver Clinic opposite the Ark building on the hospital's Aldermaston Road site by Hampshire Hospitals NHS Foundation Trust.

It is an interim unit expected to run for two or more years until a new £13m permanent cancer centre is built near Basingstoke.

The location of the centre has not yet been decided but building it at Basingstoke's current

hospital is one option.

The high-energy radiation used during radiotherapy permanently damages the DNA of cancer cells, causing them to die.

The new equipment includes a Linac machine for radiotherapy and CT scanner which takes x-rays to show where tumours are.

The machines will be moved to the new cancer centre when

it is built.

The radiotherapy services manager at the hospital, Holly Hall, said: "We use a CT scanner to accurately plan with millimetre precision the radiotherapy treatment."

"This was bought with money raised by the North Hampshire Medical Fund's Pinpoint Appeal and local charity RadCan, and we are very grateful for their fundraising efforts."

• Crowds at Basingstoke Live in July this year

# Free festival could become paid-for

REVELLERS at Basingstoke Live could face having to pay for tickets from 2016.

Plans for the free music festival in War Memorial Park to be privatised are expected to be passed by the cabinet of Basingstoke and Deane Borough Council on Tuesday, October 28.

This year's two-day event across five stages in July was attended by 33,000 people. It is currently run by the council costing £129,000 - but a recommendation by cabinet member John Izett could mean it will be outsourced to a private company, saving 60 per cent of the budget for the festival.

By Mathew Di Salvo

[mathew@taylornewspapers.co.uk](mailto:mathew@taylornewspapers.co.uk)

They could then introduce tickets at a cost.

Cllr Izett said: "It is too early to decide anything now."

"If they [a private company] were open to an idea of testing ticketing, then so be it."

He added: "They could also make money from merchandising and sponsorship."

The plans to put Basingstoke Live to "competitive tender" were contested at a community environment and partnerships committee last Wednesday, October 15.

Basingstoke councillor, of Norden, Paul Harvey said: "What in the world has this all been about?"

"The idea of putting it out to competitive tender is a concerning thing when you are talking about groups and organisations bidding against each other."

"That kind of competition might be ideologically up your street but it isn't the right way to go about an arts and culture sector in Basingstoke."

Councillor Nigel Pierce, of Bucksin, added: "I seriously urge you to rethink this whole package."

Cllr Izett said: "You don't want change."

"You want to freeze everything."

"We just want to bring outside expertise."

"I am struck by the unwillingness of looking at a possibility."

In total five councillors raised objections - including Laura James, of Norden, who said that the agenda was "all financial."

Cllr Harvey said the council had already made redundancies in the arts and culture department as a result.

The event started in 2007 with 1,500 people, growing to 33,000 this year.

Research done on this year's event by De Montfort University in Leicester calculated that festival-goers spent between £720,000 and £1.9million - with up to up to £981,000 of that handed over outside the event to businesses in the town.

Cllr Izett explained the council would use a soft market approach in 2016 - meaning private companies would not bid for Basingstoke Live but would be interviewed on a one to one basis to see what they can deliver and recommend.

The cabinet will discuss the proposals at a meeting at the council's civic offices in London Road at 6.30pm on October 28.

## Action plan for debt problems agreed

MEASURES to help tackle debt problems in Basingstoke were agreed by councillors last week.

The community, environment and partnerships committee met last Wednesday and agreed an action plan of solutions to try and stop residents in the borough getting into serious debt.

But councillor Paul Harvey, of Norden, said the plans were not being enforced quickly enough.

He said: "What I don't see is urgency."

"We are still talking about discussing things - we are not seeing affirmative action."

The council agreed to a number of steps outlined in a report.

These included creating an ethical lettings policy so payday loaners that charge huge interest rates to borrowers could not run their businesses from council-owned property. Instead a credit union could

be set up in the town centre to provide people with affordable loans.

Financial advice training centres could also be set up in community centres in Basingstoke for residents and finance advice in schools was also proposed.

Councillor Paul Miller, of Chineham, said: "The earlier we start educating a generation on financial sensibility then we won't have to play catch up again in the future, which is what we are doing now."

"This is how to teach adults how to manage their money."

"I am not blaming anybody but it is a lack of education and awareness that should have started when they were younger."

Basingstoke Citizens Advice Bureau chief executive Graham Hatcher said he had previously visited a Popley primary school to teach money management and that they would continue run schemes like this.

## Roadworks

BASINGSTOKE AND DEANE: Lane closures on the A303 eastbound carriage way between Overton and North Waltham will be in force tomorrow, October 24.

The closures will take place between 10pm and 6am for works to renew signs.

# Basingstoke FC publish 'dream' stadium design

A COMPUTER-GENERATED image of what Basingstoke's new £10million football stadium in Eastrop could look like was released last week.

Plans for a 5,124-seater stadium in Old Common Road have sparked a petition of 500 against the move.

But Basingstoke Town Football Club's chairman Rafi Razzak has written in support of the plans which he says would help realise the club's dreams.

The club wants to upgrade its current Soccer AM Stadium - formerly called the Camrose - in Western Way, which holds 2,500.

Mr Razzak said: "We have some big ambitions for the future and the reality of it is that none of it can be achieved with the

By Mathew Di Salvo

[mathew@taylornewspapers.co.uk](mailto:mathew@taylornewspapers.co.uk)

ground as it is, falling so short of league standards."

But the plans came under fire because of the loss of open space on the land next to the Hilton hotel.

A redevelopment of the old stadium into a retail park with 300 new jobs would fund the development of the new stadium.

Mr Razzak added: "The club doesn't have the financial reserves to fund a redevelopment to the requirement level, so the only real solution is for us to sell the land and use the proceeds to secure our future."

"I'm excited by these plans and

to be able to realise such ambitions in the current economic environment is remarkable.

"They are exactly what a community-minded club like Basingstoke should be doing; working to support its community and local youngsters and give everyone a facility they can be proud of."

"Camrose has been a fantastic home for us for well over 60 years and it has seen many great sporting moments."

"But now it is in such need of modernising that it threatens to become a major obstacle to realising the club's dream."

The council's portfolio holder for the project, John Izett, said a decision would be made at the end of October.

A planning application has not yet been submitted.

## On immigration and the EU

BRITAIN is a tolerant nation - we have a proud tradition of supporting those who want to move to our shores as a result of religious persecution or political repression.

Our local NHS and care services could not function without those staff that have moved to Basingstoke from the Philippines, India and beyond.

Britain has benefited from controlled migration for hundreds, or perhaps even thousands of years.

But from 1997-2010 the then government adopted a different approach, without any consultation with the electorate.

Labour opened up our borders in a way that saw 4 million people move into the UK.

Labour tried to stifle discussion of immigration by labelling it racist.

They still try to do this.

But the truth is, as a result of this failed and ill thought through policy, the most concerning problem for many people is the level of immigration into our country.

Over the past four years a very different approach has meant immigration levels have been cut by one quarter.

There is still a great deal more to do but it is a move in the right direction.

We want people to come to contribute, not take from our system of welfare support.

My time as a Minister in the Department of Work and Pensions showed me how rules set by the EU were grossly unfair to the British tax payer.

This is yet another reason why we need to fundamentally renegotiate our membership of the EU - to stop people from other EU nations coming to Britain simply to claim our welfare benefits.

This renegotiation will only have real teeth if the Prime Minister can say the deal will be put to the British people in a full referendum.

That is why I supported the Conservative Bill in Parliament last week that would put a referendum on our membership of the EU into law.

## Victims threatened with knives in robberies

A MAN and woman were robbed by men claiming to have knives in two attacks within two days in the town.

A 46-year-old man was walking across War Memorial Park when two men claiming to have a knife demanded cash at about 12.45am on Sunday, October 12.

Cash and his Blackberry mobile phone were robbed.

One of the suspects was described as being white, shorter than 5ft 10in, and wearing a red hoody.

PC Lisa Cooper from Basingstoke Police Station said the suspects may have been spotted in Hackwood Road or London Road.

The next day a 33-year-old woman was approached by two men who said they had a knife in Soper Grove at about 9.30pm.

The robbers made off with her silver Sony Ericsson Walkman W395 phone, black iPod and purple Canon ixus 265 digital camera.

She described both men as white and between 5ft 9in and 5ft 11in tall.

One man had short cropped blonde hair and was wearing a white tracksuit top and is believed to be in his twenties.

The other man was bearded, thin, had longish hair, was wearing a dark beanie hat, and was in his late twenties or early thirties.

Call 101 with information.

# Son running marathon for cancer victim dad

EVERY step of a tough marathon will be made easier by the fact that Basingstoke man James Hartwell is running in memory of three relatives lost to cancer.

The 24-year-old, of Packenham Road, Kings Furlong, is taking on the Brighton Marathon in April to raise money for Cancer Research UK.

James' dad Pat Hartwell, 70, died last year after a 13-year battle against four different types of cancer.

He said: "Since losing my dad it's made me realise life is too short and to live every day with a smile.

"It's also opened my eyes to the future and encouraged me to make the most of every opportunity.

"I was best mates with my father, he has always been an inspirational figure.

"We were very close - he did everything for me and so I want to show support to the cause."

James, a keen football player who attended Basingstoke College of Technology, also lost his auntie and grandmother to cancer.

His dad fought lung cancer, pancreatic cancer, neck cancer and chest cancer around the lungs.

He spent a lot of time in and out of Basingstoke Hospital - a period James describes as "an emotional rollercoaster."

"Raising as much awareness

By Mathew Di Salvo

[mathew@taylornewspapers.co.uk](mailto:mathew@taylornewspapers.co.uk)

to the different types of cancer is just as important as raising money," he said.

"It will be the first marathon I have taken part in and I have

been running every week.

"I'm looking to raise as much money as possible," he added.

The telesales executive, who works for Southern Communications, is also urging other people to take part in the marathon for Cancer Research UK.

Cancer Research UK spokesman Helen Johnstone said: "We

are very grateful to James for his support and would urge others to join him and get involved."

There are still spaces for those who want to join the marathon. Cancer Research UK is aiming to raise £265,000 on the day.

James is hoping to raise more than £1,000 - to donate go to [justgiving.com/J-hartwell](http://justgiving.com/J-hartwell).

## Here's to the next 50!

THE Bands of the Royal Air Force will be teaming up at The Anvil on Wednesday, October 29, to celebrate 50 tremendous years of the Red Arrows.

Hosting the event will be Alan Dedicoat, also known as the 'Voice of the Balls' on the National Lottery.

The evening will showcase some of the most recognisable music spanning

By James Richings

jamesr@taylornewspapers.co.uk

over the last 50 years.

Dedicoat said: "The evening should be a very pleasant evening I'd say."

The 59-year-old added: "Not only will they be able to hear some of the

greatest musicians in the country, but they will also get to meet me!

"Let's face it, not many people have seen what 'The Voice of the Balls' looks like, also it's my first concert of the run, so I'll be playing with the script a bit, to see what works and what wouldn't work."

Dedicoat, who has been at BBC Radio 2 since 1987, said he was 'privileged' to

compère for the RAF concert.

He said: "I love the Red Arrows.

"Just like when the Concorde was flying, people would stop dead in their tracks and look up whenever these guys fly overhead.

"They do so much good for the RAF and the nation.

"At the Royal International Air Tattoo at RAF Fairford in July, I was able to stand alongside the line of Hawk aircraft in that bright red livery.

"I even got to meet one of the pilots, I was very humbled."

And despite Dedicoat stating that he is 'blessed' to have a voice like his, he admitted he doesn't do anything in particular to take care of it.

"To a certain extent, it just happened. I'm so lucky to have been blessed with a voice people like listening to," Dedicoat said.

"I was once told it's a voice people trust.

"I don't do anything to protect it other than talk a lot and consume copious amounts of cheese and red wine.

"A lot of people tend to say, 'you look nothing like I imagined'. I think that could be them just being kind."

The tickets for the 7.30pm concert cost £18 to £24.

## It's a Dreadlock Holiday

ENGLISH rock band 10cc are back on the road this autumn with a brand new tour coming to The Anvil this Sunday, October 26.

The current line-up, featuring co-founder Graham Gouldman, has been together for over a decade, coming

By Adam Flinn

adam@taylornewspapers.co.uk

These days the band concentrate on performing at festivals and touring across the world, although Graham continues to write at the same time.

"We'll be doing all of the hits that you would expect," Graham said.

"Our last major UK tour was about

two years ago, so we're looking forward to doing that because you're travelling with that big team of people and you get more into the swing of things compared to a regular set.

"I'm always writing as well so there's always something in the pipeline."

Bassist Graham is joined in the group by Rick Fenn on guitar, drummer Paul Burgess, Mike Stevens on keyboards and Mick Wilson on percussion.

Since forming in 1972, 10cc have had 11 top-10 singles in the UK with hits including 'Rubber Bullets', 'I'm Not In Love' and 'The Things We Do For Love'.

Last December they supported Status Quo in their arena tour.

"That was great - we've done quite a few gigs with them," Graham said.

"I know that we're very different sorts of bands but we're from a similar era, and Quo fans like 10cc and vice versa.

"As I say, it's quite different to their music, but we're happy to play to any audience.

"Their fans really liked us a lot."

The show at The Anvil starts at 7.30pm, and tickets cost £30.50.

For more information, go to [anvilarts.org.uk](http://anvilarts.org.uk) or call 01256 844244.

*The Forge***RED SKY JULY**

Red Sky July came together to make music they love without boundaries or expectations. It was set to be a 'soul food' side project, however one day a week soon became seven and a group of songs with a hazy, alt country, Americana-inflected sound soon found their way into becoming a whole new venture.

*The Forge***THE BRODOWSKI QUARTET**

"The programme begins with Haydn's String Quartet Op 54 no 2. Haydn's works represent the peak

of classical string quartet writing, and this C major quartet is one of his very best.

It is followed by arguably Philip Glass' best string quartet, no. 5, which will make a fascinating contrast to the other Philip Glass works performed at The Anvil this month. The concert ends with Dvorak's magnificent American Quartet, written at the same time as the New World symphony"

## Advanced Digital Imaging

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

\*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

\*Statistics obtained from The International Glaucoma Association.

### What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?  
Do you have a family history of Glaucoma?  
Are you short sighted?  
Do you have diabetes?  
Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.\*

### Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

***Your eyes deserve the benefits of cutting edge technology available at this practice.***

# WIN tickets to see Three Men in a Boat!

ORIGINAL Theatre Company & Theatre Royal Bury St Edmunds present *Three Men in a Boat* at The Haymarket on Friday 31 October and Saturday 1 November, 7.30pm

Returning to The Haymarket after huge success in 2012, Craig Gilbert's ingenious, acclaimed adaption of Jerome K Jerome's classic tale of boating misadventure is back, armed with more singing, wilder adventures and sporting even brighter blazers.

Originally intended as a guide to boating on the Thames, Jerome's ripping yarn of youthful friendship, mischief and folly celebrates the very essence of Britishness inspiring many of our comic legends from Morecambe and Wise to Monty Python.

Original Theatre Company take this classic tale of British misadventure and folly by the scruff of the neck. Equipped with a working pub, live piano accompaniment, some ale, music hall singing, a dog and a feast of physical comedy, settle yourself in for a night out to remember.

Tickets: £18; over 65s £16; under 16s

# SPOOKTACULAR HALF TERM

## Halloween family fun galore at Manydown

Back by popular demand this autumn, is our Pumpkin Carving Event! You all loved it the last time we did it, and so this year we are bringing it back!

We will be open between 18th October and November 2nd 2014 (10am-4pm), for you to come with your little ones and enjoy a feast of autumn with us at Manydown Family Fun.

It will be our usual admission price of £8.50 per adult, £8.00 for children and we will have the normal family dis-

counts available (look out for leaflets with discount codes in the local press as usual).

Each child holding an admission ticket gets to choose their own pumpkin and then go and carve out a design of their own in our special carving area with all the tools you will need (extra pumpkins can also be bought if you want to take more home!).

Season ticket holders will get into this event for free, but will have to pay a small charge for their pumpkin (£2.00).

There will also be autumn themed activities on the site including pumpkin story telling. There will also be all the old favourites available for the family to enjoy including the 'Tractor and Trailer Ride' and the new 'Jumping Pillow'.

There will also be excellent catering available at the 'Farmers' Retreat Cafe' for you all to warm up with the usual excellent catering options.

Come and visit us! We're located at 550 Worting Rd, Basingstoke, Hampshire RG23 8PU, or ring us on 01256 220 398

# SPOOKTACULAR HALF TERM

## Why not look in to the Look Out Discovery Centre this half term?

October half term is a fantastic time to visit The Look Out Discovery Centre!

Set in a beautiful forest to walk or cycle around, with a popular adventure play area, there is also the main attraction inside, which is the exhibition with over 90 hands-on science and nature activities.

There is a real variety of activities such as taking a picture of your shadow, making a mini animation, firing up a hydrogen rocket, building an unfinished house, playing in the toddler supermarket, launching the hot air balloon, creating circuits plus more!

The hands-on activities are mostly geared towards primary school and pre-school children. However, there is something for all ages.

Lasting until January 4 next year will be 'Starlab - a Portable Planetarium'.

There is a choice of two amazing journeys through space, subject to minimum

numbers and an additional charge to the main admission fee.

'Space Stories' will take place every Saturday and Sunday from 11am, noon and 3.15pm, which is aimed for 3-7 year olds.

'Exploring the Solar System', will also take place every Saturday and Sunday until January 4 at 2pm. This is aimed for children over the age of 7.

It will cost £1.85 per child with under four's going for free.

There will also be a fun quiz about our solar system with a fantastic prize for one lucky winner, that our lovely visitors can enjoy.

In addition to the hands-on science and nature exhibition where there is lots to do for toddlers, we are putting on special activities just for toddlers!

Activities include art and craft; play dough, face or hand painting and story telling.

On toddler days, you can buy one

drink and get another free to the same value, and it's also a great place to meet up with friends.

This will cost £6.65 per parent and toddler and an additional £1.50 for an extra child. (Prices valid until 31/3/15).

There will also be a coffee and gift shop on site, which is open from 10am-5pm.

Come and visit us as The Look Out Discovery Centre, Nine Mile Ride, Bracknell, Berkshire, RG12 7QW.

Alternatively, you can contact us on 01344 354400 or email us on [thelookout@bracknell-forest.gov.uk](mailto:thelookout@bracknell-forest.gov.uk).

## Citroën C4 Cactus Airflow 2L

WITH a comparable design to the Citroën Xsara and mechanically similar to the Peugeot 308, the Citroën C4 models have had a fair amount of success since its introduction 10 years ago.

The first generation of the C4 finished in second place at the 2005 European

REVIEW: Citroën C4 Cactus Airflow 2L

By **James Richings**

Car of the Year Award with the Citroën C4 Picasso finishing third in the same competition two years later.

The vehicle has also sold over one million units worldwide since 2009.

So to add to the C4 club, the French manufacturer has announced the brand new Citroën C4 Cactus AIRFLOW 2L available to buy.

The C4 Cactus AIRFLOW 2L project was undertaken as part of the "2l/100

km vehicle" programme set up by the Plateforme de la Filière Automobile industry group in France.

The objective is to reduce the impact of vehicle running costs on household expenditure and to reduce the eco-footprint of car travel.

The Citroën C4 Cactus already

boasts a range of features designed to reduce fuel consumption with its smooth design, efficient engine and technologies selected to reduce vehicle weight.

The production C4 Cactus is 200kg lighter than the Citroën C4 hatchback, and the C4 Cactus AIRFLOW 2L concept shaves off another 100kg cutting the weight of the concept by 11 per cent compared with the production car.

The production C4 Cactus ranks among the best in its segment with CO2 emissions from 82g/km and fuel consumption starting at just 91.1mpg.

And the C4 Cactus AIRFLOW 2L goes further by adopting a Hybrid Air drivetrain - the technology presented by the PSA Peugeot Citroën Group in January 2013, and featured on a Citroën C3 at the 2013 Geneva Motor Show.

This includes a three-cylinder PureTech petrol engine, a compressed air energy storage unit, a hydraulic pump/motor unit and an automatic transmission with an epicyclic gear train.

An electronic management system manages input from the driver to optimise energy efficiency.

The latest C4 Cactus Airflow 2L costs from £12,900.

## End of the road for your vehicle?

Responsible drivers scrap their vehicles at an  
Authorised Treatment Facility (ATF).

Because only an ATF can legally scrap a vehicle.

That means any pollutants will be made safe before it's recycled in an environmentally friendly way.

What's more, for certain types of vehicle you'll get a DVLA approved Certificate of Destruction (CoD). A CoD proves the ATF has told DVLA your vehicle has been scrapped and is no longer your responsibility. [www.direct.gov.uk/motoring](http://www.direct.gov.uk/motoring)

# Taking care of your motor

FASTFIT Service Centre is celebrating its tenth anniversary at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's an entire engine overhaul or just tweaking the brakes, we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging

from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more responsive and smoother to driver. In these tough time, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a range of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

## What our customers think

• My car had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it!

He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!

Cheers,  
Clive Baldwin

• Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.

I wanted something activated on my car that was not activated at the factory. A dealer wanted upwards of £100 to do the job. I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price!

These guys definitely know what they're talking about and I would recommend them to anyone!

Chris H

• Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

# Long stars in Bison's unbeaten weekend

**BASINGSTOKE** Bison climbed up to second place in the British Ice Hockey Premier League after a flawless four-point weekend.

Doug Sheppard's side fought off Manchester Phoenix 4-3 on Saturday before making it back-to-back victories with a comfortable 5-2 win over Sheffield Steeldogs, moving to within two points of leaders Telford Tigers.

However, it didn't all go all Basingstoke's way during their opening fixture as former Bison Shaun Thompson gave Manchester the lead inside six minutes despite calls from the hosts that referee Matt Thompson blew his whistle before the puck crossed the line.

Fortunately Tomas Karpov brought Basingstoke level within five seconds of their first powerplay to force the two teams into the break all square.

Robin Kovar restored Manchester's advantage early in the second session, but Bison once again responded instantly as Ciaran Long equalised within sixty seconds of the restart.

Long soon completed his brace in the final period before Johan Burling brought the visitors level with the clock running down.

But after neat build up play from Long and Aaron Connolly, head coach Sheppard was on hand to strike home Bison's match winner on 42 minutes.

Going into Sunday's fixture with winning momentum, Bison completed a memorable four-

point weekend with a terrific away victory in Sheffield and Connolly opened the floodgates after just five minutes.

Basingstoke ended the first period with a convincing two-goal cushion after Long netted his third goal inside two games.

Things went from bad to worse for the Steeldogs as Callum Pattison received his marching orders early in the second session, with the visitors instantly making the most of their extra man advantage.

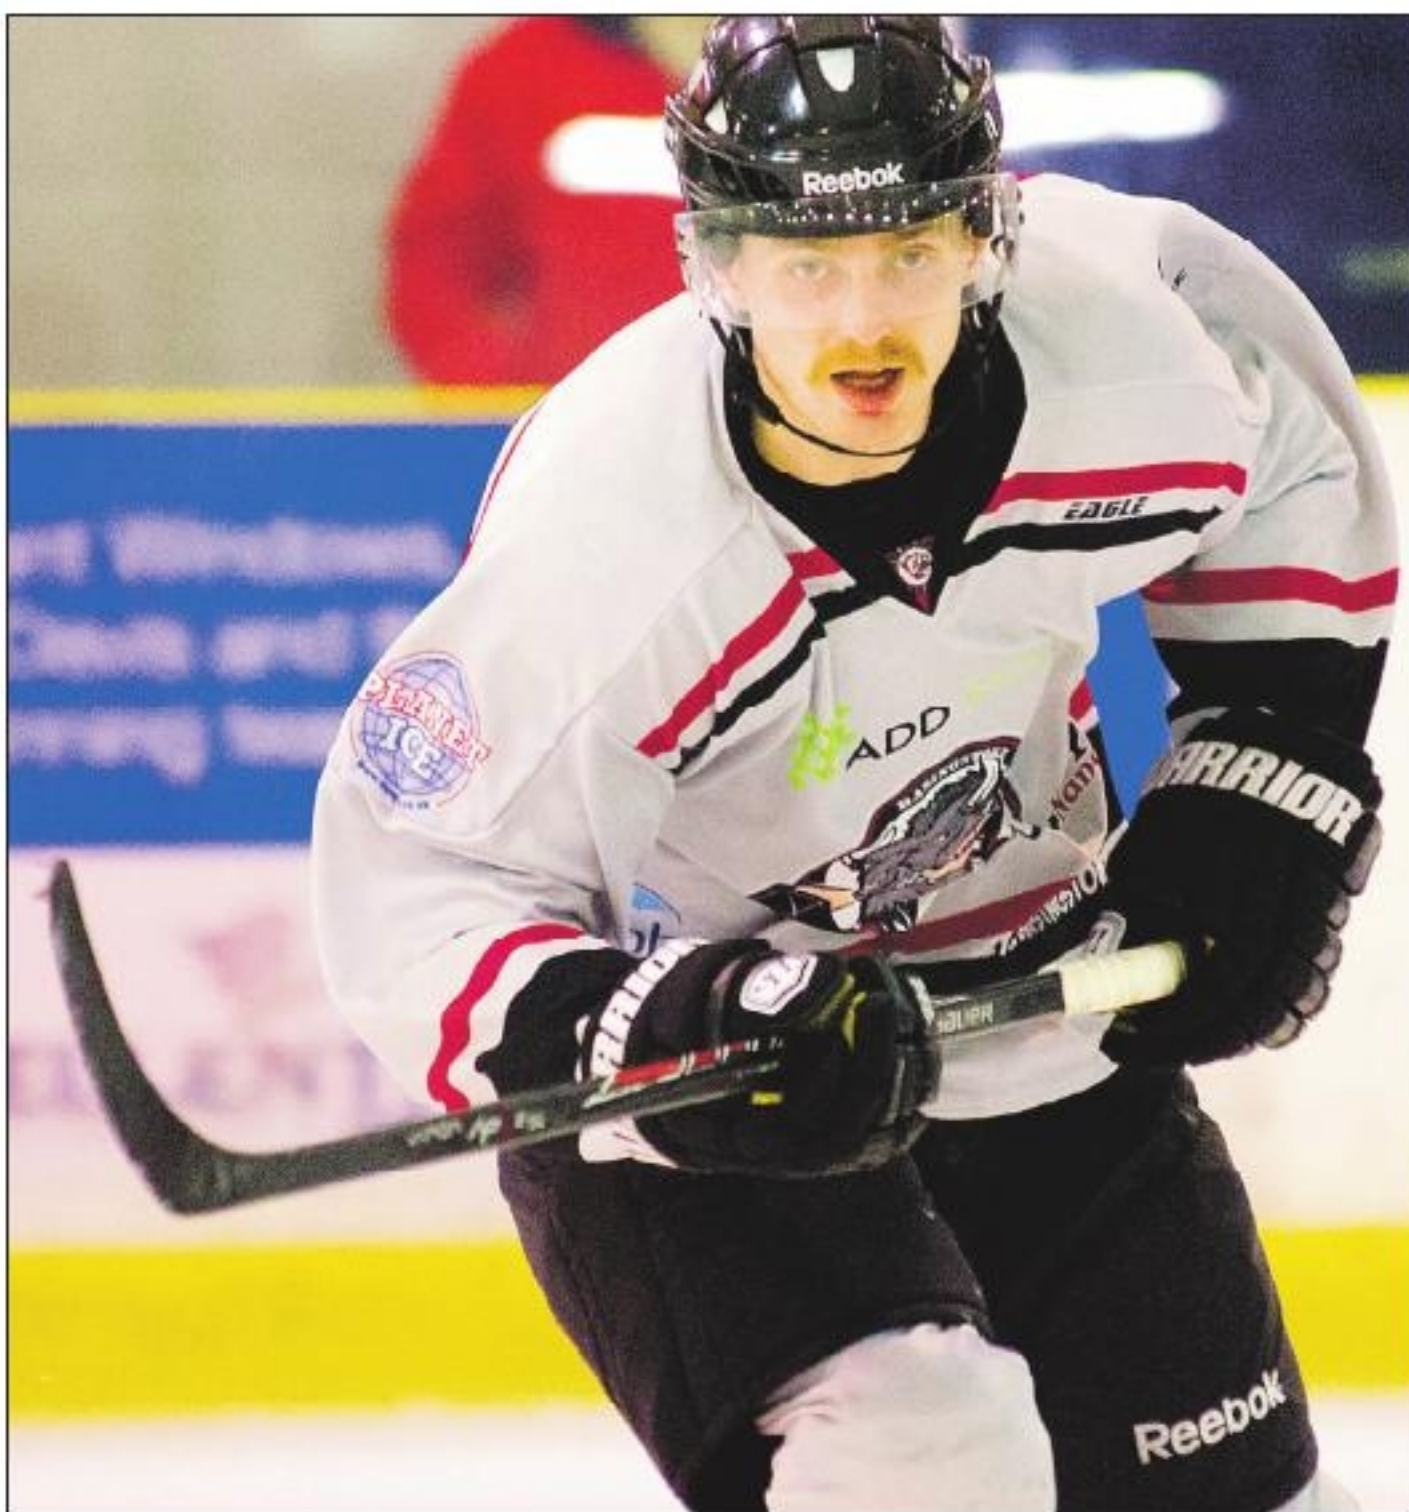

Bison scored three goals during their five minute powerplay to establish an indisputable 5-0 lead after 28 minutes, with Connolly grabbing his second before Karpov and Sheppard also got on the scoresheet.

Sheffield's Tom Squires then fired in a quick fire brace for the hosts, before Bison's Miroslav Vantroba was dismissed for hip checking Andrew Hirst.

However, nothing could derail Bison's winning streak.

They travel to Milton Keynes Lightning on Saturday and Swindon Wildcats on Sunday.

## Sport Bites

### 'Stoke beaten in the cup by high fliers Guernsey

**BASINGSTOKE** Hockey Club were knocked out in the first round of the EH Trophy on Sunday despite taking the lead twice against reigning champions Guernsey.

'Stoke pushed the visitors all the way but were pegged back twice after Jed Mills and Dean Record had put the hosts ahead.

Andy Preston was sin binned for the last 10 minutes after playing the ball after the whistle and Guernsey took full advantage by grabbing a late winner.

Basingstoke return to league action on Saturday when they face Havant 2.

### Buffalo edge Pitbulls in epic to top standings

**BASINGSTOKE** Buffalo edged a thrilling encounter against Bristol Pitbulls 7-6 on Saturday.

The victory saw Buffalo go top of the National Ice Hockey League South 2 (West) with four points from three games.

Buffalo have the same amount of points as Cardiff Devils 2 and Swindon Wildcats 2 but top the league due to their superior points difference.

They are next in action on November 2 when they face Slough Jets in the National Ice Hockey League S2 Cup.

Buffalo are currently second in Group B after winning their opening two games in the competition with victories over Wightlink Tigers and London Haringey Racers.

## Whitchurch's run is ended but Denham keeps scoring for Tadley

**WHITCHURCH** United's incredible 11-game unbeaten run in the Sydenhams Premier Division came to an abrupt end on Saturday with a 3-1 away defeat to mid-table Winchester City.

United dropped to third in the table as a result and are now three points behind leaders Petersfield Town.

Winchester's Zach Glasspool opened the scoring from the penalty spot after goalkeeper Brad Snelling brought down Dom Cope.

Fortunately Whitchurch were gifted an equaliser when Danny

Phillips picked off Mike McEnery's weak back pass to tuck away the easiest goal he'll score this season 10 minutes before the break.

However, the hosts started the second-half as they did the first by taking the lead early on as Geoff Dunn neatly brought down Jason Collins' lofted ball before slotting the ball past a helpless Snelling.

Jamie Mansell was then dismissed for the visitors - before things went from bad to worse for Whitchurch as Glasspool grabbed his second goal of the game to wrap up all three points

on offer.

Elsewhere Tadley Calvea remain two points behind Sydenhams Division One leaders Fleet Spurs after breezing past bottom side Andover New Street 4-0 at Barlows Park.

Brett Denham continued his fine form by scoring a sensational hat-trick to preserve their unbeaten start to the season, with James Tennant also getting on the scoresheet.

And finally, Hartley Wintney dropped to 12th in the Combined Counties Premier Division after a 2-1 home defeat to struggling Farnham Town.

## Hard luck for 'Stoke as Sidcup reign victorious in 25-10 win

**BASINGSTOKE RFC** slipped to 12th in the London One South Division after suffering their first home defeat of the season in a 25-10 loss to leaders Sidcup on Saturday.

The hosts took a surprise lead when Captain Freddie Gleadowe did well to find Jobi Kochanowski in space before laying on the perfect pass to see Matt Guilfoyle slide home for the first try of the match.

Guy Wilkinson was unable to score the following conversion before watching Sam Carmen equalise for Sidcup just seven minutes before the interval,

although Jamie Cutler also missed his conversion to keep the score 5-5 at half-time.

Despite another bright opening from Basingstoke, the visitors took the lead early in the second period when Ashton Dean skipped around three players to score on 49 minutes.

The misfiring Cutler again missed the resulting conversion before wasting his third kick of the evening when Peter Grayson crossed the line to give Sidcup a 15-5 advantage.

Dean was on hand to score his second try of the afternoon

with 10 minutes remaining, with Cutler finally finding his feet with a successful conversion and penalty shortly after.

Will Croker's side did manage to snatch a consolation try in the dying moments of the game after Jon Bird bullied his way through the defence before the ball fell to Ben Stewart who threaded through Gavin Dampies to score.

Wilkinson missed his second conversion of the game to complete a disappointing finish to the game.

Basingstoke visit eighth place Charlton Park on Saturday.

# BRISTOW EXPECTS TOUGH FA CUP TIE

**Town face Harrow Borough for a place in the first round**

JASON Bristow says his players have to approach Saturday's FA Cup tie against Harrow Borough "properly" if Basingstoke Town are to advance to the first round.

Town go into this weekend's fourth qualifying round tie against Ryman Premier side Harrow as the strong favourites on paper.

Basingstoke are currently on a six-match winning run in all competitions and are two points clear at the top of the Vanarama Conference South.

And Bristow says he will be making sure his side do not underestimate their opponents at the Soccer AM Stadium on Saturday and is expecting a tough tie.

As well as a place in the first round, £12,500 in prize money is on offer for the winner.

Bristow said: "It is a huge tie. In terms of the financial side of it there's a lot of money to be won on Saturday and the possibility of a really good tie in the first round."

"It is a big game for us and it is important we don't underestimate the opponents."

"They will be looking to get a little bit of relief from their league

and Saturday will be good for them to come out and put all that behind them for a short spell.

"As long as we approach the game properly we have got a good chance of going through and that is the most important thing."

Town remained at the top of the Vanarama Conference South after last weekend as David Ray's last gasp winner saw them beat Wealdstone 1-0.

And Bristow praised the attitude and belief of his players with regard to the manner of the victory.

He said: "Confidence is high in our group at the moment and they believe they are going to win football matches."

"As long as we are still in the game we believe we are going to go on and win."

"It doesn't matter how late it is going to be."

Bristow has no injury concerns ahead of this weekend.

Only the suspended Manny Williams is unavailable for selection this weekend.
